

JOE WALLER

EXPERIENCE

MANAGER/CHARLOTTE PHONE TRADER

July 2012 to Present

I began with this company in a sales position and quickly learned all aspects of maintaining a prepaid cellphone store. Seeing an opportunity to expand the business, I taught myself hardware repairs and firmware augmentation, adding what is now a significant income source for the company.

GRADER-T.A./UNCC

Jan 2017 to May 2017

I worked under Tony Kombol aiding in facilitating a lab for IT Infrastructures II (ITIS3110) for the Spring 2017 Semester.

OBJECTIVE

I am seeking employment relevant to my pending bachelor's degrees in Cyber Security and Mathematics to gain hands-on and team building experience.

SKILLS

I possess excellent communication skills especially in both public speech and writing. I distinguish myself in the workplace by being highly organized and proactive in finding solutions.

EDUCATION

BACHELORS SIS/MATHEMATICS (IN PROGRESS)

University of North Carolina at Charlotte

I am currently enrolled as a double major studying Cyber Security and Mathematics. My current GPA at this institution is 3.51

ASSOCIATE OF SCIENCES

Central Piedmont Community College

I was enrolled in a Transfer Program to UNCC. My GPA at the time of transfer was 3.89.

HIGH SCHOOL DIPLOMA

Floyd E Kellam H.S., Virginia Beach, VA
Jan 2000

VOLUNTEER WORK

SALVATION ARMY CHARLOTTE ADULT REHAB CENTER/INSTRUCTOR

I teach a recurring six-week course in job acquisition skills to residents in their final stages of this six-month in-patient substance abuse rehabilitation program. The course mainly focuses on resume creation and job interview skills.
